

**Job Title: Statutory Compliance Specialist****Company:** Nirmon Marine**Location:** Goa, India**Job Type:** Full-time**About Nirmon:**

Nirmon is an independent firm located in Goa, specializing in ship design, classification society services, shipyard management, and ship operations. With a team of naval architects and marine engineers, we bring a wealth of experience to the maritime industry and are dedicated to delivering innovative solutions and services to our clients.

**Job Description:**

We are seeking a highly motivated and skilled Statutory Compliance Specialist to join our team at Nirmon. The ideal candidate should have a minimum of 1 year of experience in the maritime industry's statutory compliance department, with a strong understanding of relevant regulations and requirements.

**Key Responsibilities:**

1. **Statutory Compliance:** Ensure that all aspects of our maritime projects are in full compliance with relevant statutory regulations, including local, national, and international requirements.
2. **Documentation Management:** Oversee the preparation and maintenance of statutory documentation, ensuring that all records and reports are accurate and up to date.
3. **Regulatory Updates:** Stay informed about changes in maritime regulations and communicate updates to the team to ensure ongoing compliance.
4. **Audit Support:** Assist in internal and external audits related to statutory compliance and follow up on corrective actions as needed.
5. **Reporting:** Generate periodic reports related to statutory compliance and present findings to the relevant stakeholders.
6. **Collaboration:** Collaborate with cross-functional teams to ensure that statutory compliance is an integral part of our projects.

**Qualifications and Skills:**

- Bachelor's degree in a relevant field (Maritime Studies, Marine Engineering, etc.).
- 1+ years of experience in the maritime industry with a focus on statutory compliance.
- In-depth knowledge of maritime regulations, including classification society rules.
- Strong attention to detail and organizational skills.
- Good communication and problem-solving abilities.
- Proficiency in relevant software and tools for compliance tracking and reporting.

**How to Apply:**

If you have the experience and qualifications required for this Statutory Compliance Specialist role and are passionate about ensuring regulatory compliance in the maritime industry, please send your resume to [hr@nirmondesign.com](mailto:hr@nirmondesign.com). We look forward to considering you as a valuable addition to our team at Nirmon.
